

Kraft E-Learning Portal Tutorial

Getting Started

To log in, please type <http://kraft.i-qbox.com/lms> in the address bar of your internet browser. You will be brought to the Kraft E-Learning Portal Login Screen.

Figure: Login Page

Getting Started

If you are a first time user and do not have a Kraft Kraft E-learning account, please click on the 'REGISTER' button.

Create a new account

Please register now if you don't have a login and password.

REGISTER

You will be brought to the Registration page where you can register for a Kraft E-Learning account by filling out your email and desired password and clicking the 'REGISTER' button.

Figure: Registration page

You will receive an email from the system confirming your registration. Click on the link within the email to start using your account. If you did not register with a valid Kraft email address, the email will inform you that your account is pending approval. Upon approval, you will receive another email informing you that your account has been activated.

Getting Started

If you have already registered for an account but cannot remember your password, please click on the 'Forgot Your Password?' link.

Please enter your login and password.

Figure: Password Retrieval Page

From the password retrieval page, you can retrieve your password by filling in your email in the box provided and then hitting the send button. If the email address is one that is associated with your account, information about your password will be sent to that email account. Selecting the 'BACK' button will redirect you to the login page.

Getting Started

Logging in to the Kraft E-learning Portal

Type your login and password into the corresponding boxes and click the 'LOGIN' button. Your Login ID is usually your kraft email address.

After logging in, you will be brought to your Kraft E-learning Homepage.

Figure: Kraft E-learning Homepage

Your home page should look like figure x. However, the details will differ according to the classes for which you have registered.

Course Details

The course should be taken in the order in which the quizzes are listed.

The screenshot shows the KRAFT E-learning interface. On the left is a navigation menu with buttons for Home, My classes, My history, My profile, Reports, Project Management, Lean & Six Sigma, Automation&Controls, CAD Learning, Tutorial, Help, and User Guide. The main content area features a blue header with the KRAFT logo and 'E-learning' text. A message reads: 'Thank you, you've been registered successfully to the class "Elements of Project Time Management"'. A 'Log out [gjohn]' link is in the top right. Below the message is a section titled 'COURSES OF CLASS "ELEMENTS OF PROJECT TIME MANAGEMENT"'. It includes a 'Contact' section with 'Faculty contact: Administrators' and a 'Download calendar file' button. A table lists course elements with columns for 'Date', 'Score', and 'Status'. At the bottom of the table are buttons for '360° assignments', 'Unregister', 'Members', and 'Archive'.

	Date	Score	Status
Elements of Project Time Management			
Inputs, Tools and Techniques of Activity Resource Estimating		<input type="checkbox"/>	
Inputs, Tools and Techniques of Output Activity Sequencing		<input type="checkbox"/>	
Project Time Management Process Groups and Inputs to Activity Definition		<input type="checkbox"/>	
Project Time Management Processes		<input type="checkbox"/>	
Tools Activities and Outputs from Activity Definition		<input type="checkbox"/>
